Dear Mr. Mirza:

It is my privilege to inform you that Automation International Ltd. has been selected to receive the President's "E" Award for Exports in recognition of your company's achievement in supporting export growth in the U.S. business community.

Automation International Ltd. has demonstrated a sustained commitment to export expansion. Your export sales are impressive, increasing from \$5.6 million in 2005 to \$8.1 million in 2008. Your company's attention to customer service by adapting prices and company literature for the local markets and providing in-country technical support is noteworthy. Automation International's achievements undoubtedly have contributed to national export expansion efforts that support the U.S. economy and create American jobs.

Alan Richel, International Trade Specialist of the Houston U.S. Export Assistance Center, will assist you with any further questions you may have with regard to the President's "E" Award Program. Congratulations on this exceptional achievement.

Sincerely,

Gary Locke
